All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel file of the participants.

- B. Board – As used in this instrument, refers to the Wilmington City School District Board of Education.
- C. Days – Refers to scheduled work days unless otherwise indicated.
- D. Grievance Classification – There shall be three (3) types of grievances. A grievance affecting one (1) member only shall be designated as an individual grievance and a grievance affecting two (2) or more members shall be designated as a class grievance. The individual grievance shall be signed by the grievant and the class grievance shall be signed by at least two (2) members of the class. An Association grievance shall be a grievance filed by the Association for an alleged violation of specific rights guaranteed to the Association by this Contract. A class grievance and an Association grievance may be initiated at Step 3 of this procedure.

## Section 3 - Procedure

Speedy Disposition - The number of days between each step shall be a maximum of five (5). If the appealing party does not take appropriate action within the time limit specified, the grievance will be deemed settled on the basis of the disposition at the preceding level. The five-day limit may, however, be extended by mutual consent between the parties.

Step 1 – Any employee who has a grievance shall first discuss the matter with his/her principal, immediate supervisor or department head in an attempt to resolve the matter informally.

Step 2 - If, as a result of the discussion, the matter is not resolved to the satisfaction of the employee, he/she shall set forth his/her grievance in writing to the supervisor. A grievance shall be filed with the principal or immediate supervisor within fifteen (15) days after the occurrence of the event giving rise to a grievance. Failure to file the initial grievance within the fifteen (15) day period constitutes a waiver of the grievance. If the grievance is outside the scope of the principal's or immediate supervisor's responsibility, the grievance may be initiated at Step 3 by mutual agreement of the parties. Such grievance shall be filed using the OAPSE Grievance Form (Appendix D).

A meeting shall be held within five (5) days after receipt of the written grievance with the principal or immediate supervisor. A written decision from the supervisor shall be provided to the employee within five (5) days of the Step 2 meeting.

Step 3 - The employee may appeal the supervisor's decision to the Superintendent within five (5) days of receipt of the Step 2 decision. The appeal to the Superintendent must be in writing and must set forth the grounds upon which the grievance is based.

A meeting with the Superintendent shall be held within five (5) days. The Superintendent shall communicate his/her answer or suggestions for a solution to the employee within five (5) days of the conclusion of the Step 3 hearing.

Step 4 – Mediation – If a member is not satisfied with the disposition of the grievance at Step 3, the parties, by mutual agreement, may request the assistance of the Federal Mediation and Conciliation Service ("FMCS") and the assignment of a mediator to provide grievance mediation services. The Association must request mediation within five (5) days of receipt of the Step 3 answer. Grievance mediation is a voluntary step in the grievance process.

Step 5 - Any grievance supported by the Association and not resolved to the satisfaction of the grievant shall, at the request of the Association, be submitted to the Federal Mediation and Conciliation Service ("FMCS") for selection of an arbitrator. The Association shall submit a request for arbitration within twenty (20) days of receipt of the Superintendent's Step 3 decision. Administrative fees assessed by FMCS shall be shared equally between the Association and the Board.

The arbitrator shall be selected from a list of names submitted by FMCS in accordance with its rules and regulations using the alternate strike method of selecting the arbitrator. The decision of the arbitrator shall be final and binding upon the Association and the Board and it is agreed that the losing party will bear the fees and expenses of the arbitrator.

The Arbitrator shall expressly confine himself/herself to the precise issue submitted for arbitration and shall have no authority to determine any other issue not so submitted to him/her. The arbitrator shall have no power to add to, subtract from or change, modify or amend any of the terms and provisions of this Agreement, or any other written agreements between the Board and the Association.

#### Section 4 - Representation

At all steps of the grievance procedure, the grievant may be accompanied by a representative of the Association and the administrator and/or Board may be accompanied by a representative of their choice.

#### Section 5 - Miscellaneous

- A. A member who participates in this grievance procedure shall not be subjected to discipline or reprisal because of such participation.

- B. Hearings and conferences under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses, to be present. When possible, meetings/hearings will be held after regular school hours, or during non-working time of the personnel involved.
- C. All grievances may be withdrawn at any level of the grievance procedure. In the case of grievances filed by individuals, the employee involved has the right to withdraw the grievance at any time.
- D. When a party is required to act within a specific time period, and such time period expires on a day when the offices of the Board of Education are closed, the time period shall be extended to the next business day.

The Supervisor must provide a response no later than twenty-four (24) hours before the designated day off. In an emergency situation, the notification may be done verbally to the immediate

supervisor or other administrator and in such cases, each employee is required to enter his/her absence into KIOSK within forty-eight (48) hours after the employee's return to work.

Section 4 – The immediate supervisor shall forward the employee's request to the Superintendent at least twenty-four (24) hours prior to the designated day.

Section 5 – It is understood that personal leave days are to be used by the employee to conduct personal business that cannot be conducted outside the school hours. It is also understood that such days shall not be used for recreational or vacation purposes.

Section 6 – Personal leave may be used for full day or half (1/2) day absences or quarter (1/4) day absences by employees who are regularly scheduled to work six (6) or more hours per day. For use of quarter (1/4) day absences, bargaining unit members will be expected to assist their supervisors in arranging for coverage of their duties, if needed, from bargaining unit members within their assigned work groups.

Such statement shall be presented to the proper administrative officer immediately following absence for which sick leave is to be applied. Any such employee desiring to work beyond the end of the fifth (5th) month of pregnancy shall be permitted to do so provided she files with the Superintendent a written certificate from her physician that further service would be not detrimental to her health nor would it jeopardize the satisfactory termination of the pregnancy. Maternity leave shall be up to one (1) year without pay.

- A. Such certificate shall indicate the date when the employee's physician is of the opinion that her services should be discontinued and shall be presented to the superintendent at least two (2) weeks prior to the discontinuance of service so that ample time is provided to obtain a suitable substitute.
- B. If, at any time during the term of the pregnancy, the superintendent is informed that such employee is unable to satisfactorily perform her duties by reason of said pregnancy, the superintendent may request such employee to furnish to him/her a certificate in writing by her physician that such employee is physically and mentally able to continue her service.

It is assumed that said staff member will fully apprise her physician of the specifications of her position, or comparable positions, so that the physician's certification will reflect a complete knowledge of the physical demands of said position. A return to some form of part time or limited service will not be permitted.

Section 3 – A classified staff member who is adopting a child shall be entitled to use six (6) weeks of sick leave and a leave of absence not to exceed one (1) year without pay for maternity reasons to begin at the time of the receipt of the custody of the child.

Section 4 – Every effort will be made by the Superintendent to reinstate staff members returning from maternity leave to the original, or a comparable position. If the availability of substitutes precludes this possibility, reinstatement will be made in an assignment for which the staff member is qualified. Employees are entitled to the use of sick leave for six (6) weeks following the birth of a child. Use of sick leave for the birth of a child will be extended for two (2) additional weeks upon receipt of a doctor's certification that two (2) additional weeks are necessary.

- D. Employees shall be required to give a one (1) week notice during the school year and at least a five (5) day notice during the summer recess prior to taking the requested vacation.
- E. An employee is entitled to carry over a maximum of two (2) weeks' vacation into a subsequent school year.

### **ARTICLE 15 – SCHOOL CLOSINGS**

- A. For the first six (6) days, bargaining unit members shall not be required to come to work with no loss of pay.
- B. Unless expressed by the Superintendent, for each day thereafter, there shall be a one (1) hour delay for bargaining unit members to report to work. A bargaining unit member may elect to take a personal or sick day in lieu of attendance should he/she deem it unsafe to travel to work.
- C. When a delayed start is ordered due to inclement weather or otherwise, the member work day will be reduced by the same amount as the delay.

**Section 2** – In the event the Superintendent expressly directs Staff to remain at home the head custodian must report for work to check that each building is safe and secure. If the building is safe and secure, then such head custodian should be allowed to return home for the remainder of the day unless otherwise needed and directed to do so without a loss of pay.

**Section 3** – Any employee required to work during the first six (6) closed/cancelled days due to inclement weather or otherwise of any school year shall be paid their regular hourly rate for all hours worked, over and above their inclement weather or otherwise day's pay.

In the event of a disagreement on assignment, the decision of the superintendent shall be final. Temporary assignments may be made in emergency situations and not for more than ninety (90) days upon notice to the Association President. Such assignments shall be only for the duration of the emergency. If transferred to a higher paid position the employee will be paid the higher rate of pay. If transferred to a lower paid position, the employee will maintain their higher rate of pay.

In the event positions become vacant within a job classification and are to be filled by the Board, such position shall be communicated via email notification and shall remain open for a period of seven (7) days so that bargaining unit members may be notified of the availability of these vacant positions. The postings shall contain the position building, shift, hours of work, and rate of pay.

If a person currently working the classification of the vacancy files a written request assigned to the vacant position, he/she shall be awarded the vacant position, provided he/she is qualified to perform the duties of the position. A driver is permitted to select a trip, if such trip is overnight or in excess of six (6) hours.
- F. Emergency trips are those additional trips that the Transportation Supervisor has less than one (1) hour to fill. These trips will be filled at the sole discretion of the Transportation Supervisor.
- G. Transportation Supervisor will provide the assigned driver with a completed trip ticket for all trips.
- H. Cancellations, non-assigned trips, non-timely postings.

1. If trips are cancelled, the affected drivers may choose to take the cancelled rescheduled trip provided it is rescheduled before the next trip meeting or go to the top of the rotation in seniority order at the next trip meeting. When there are multiple cancellations in a week he/she would still have the choice to take the rescheduled trips. However, if the driver elects to go to the top of the rotation, he/she would only get one (1) first pick. When multiple buses are needed for an extra run or field trip or if one of the buses cancel, it will be up to the driver to choose to stay on the trip or get a cancellation at the next trip meeting, unless a less senior driver had a cancellation at the prior trip meeting, and this was their first pick. He or she would get choose to stay on the trip or get a cancellation at the next trip meeting.
  2. Any cancelled trips, trips that come in after the trip meeting, or trips that are not assigned at the trip meeting will be posted on the board by the Transportation Supervisor and awarded by seniority.
  3. If a trip is cancelled and the Driver shows up without being notified, that driver shall be paid for two (2) hours. The Supervisor or person in charge of the trip must contact the driver by phone not less than thirty (30) minutes prior to the trip. If a trip is cancelled after the driver has left, the driver will be paid for time worked or a minimum of two (2) hours.
  4. If a driver cancels a trip, he/she will not be eligible to bid on trips at the next trip meeting. He/she will then go to the bottom of the seniority list for bidding purpose only regarding the trips posted on the Board. A driver may cancel a trip without going to the bottom of the seniority list if the trip time has changed by four (4) or more hours.
  5. A Driver, who becomes ineligible due to cancelling a trip, may become eligible for a trip on the Board provided all other Drivers were offered the trip, but prior to assignment by reverse seniority.
- I. Drivers shall be paid their regular rate of pay for additional runs during their regular working hours.
  - J. Drivers shall be paid seventeen dollars (\$17.00) per hour for field trips.
  - K. If trips are not filled by drivers at the trip meeting the trip will be posted on the board. If no one signs up for a trip or extra run, the Transportation Supervisor will assign the trip to the least senior driver in a continuous reverse seniority rotation. If a driver misses a forced assignment because the driver is on a trip, assigned route, absent, or school business, they will be first on the next forced assignment. If there are multiple forced assignments, the most senior driver may choose their trip first. At the beginning of each school year, the seniority rotation starts with the least senior driver.
1. A driver will be afforded one (1) opportunity throughout the school year to decline a forced assignment.

2. If a forced assignment is cancelled, the driver will remain on the list in their current position and the trip will not count as a cancelled trip for the purposes of selecting trips at the next trip meeting.
- L. When a trip requires a stay overnight, the driver will be deducted eight (8) hours for required sleep time.
- M. Newly hired drivers will not be required to drive a forced field trip assignment until after the driver has been employed by the District for thirty (30) days.

If after business hours, Transportation personnel must call a phone number designated by the Transportation Supervisor if the employee knows he/she will be absent for his/her next scheduled shift and leave a voicemail message. #### 124.39 Unused sick leave.

As used in this section, "retirement" means disability or service retirement under any state or municipal retirement system in this state.

(A)

(1) Except as provided in division (A)(3) of this section, an employee of a state college or university may elect, at the time of retirement from active service and with ten or more years of service with the state or any of its political subdivisions, to be paid in cash for one-fourth of the value of the employee's accrued but unused sick leave credit. Such payment shall be based on the employee's rate of pay at the time of retirement. Payment for sick leave on this basis shall be considered to eliminate all sick leave credit accrued by the employee at that time. Such payment shall be made only once to any employee. The maximum payment which may be made under this division shall be for one-fourth of one hundred twenty days.

(2) A state college or university may adopt a policy allowing an employee to receive payment for more than one-fourth the value of the employee's unused sick leave or for more than the aggregate value of thirty days of the employee's unused sick leave or allowing the number of years of service to be less than ten.

(3) Notwithstanding the provisions of division (A)(1) of this section, any employee who retired from the university of Cincinnati on or after September 25, 1978, and on or before November 15, 1981, may be paid in cash for up to one-half of the value of the employee's accrued but unused sick leave credit up to a maximum of sixty days if the employee otherwise meets the service and other requirements necessary to receive such payment and if any such payment has deducted from it any amount previously paid to the employee from the employee's accrued but unused sick leave credit at the time of the employee's retirement.

(B) Except as provided in division (C) of this section, an employee of a political subdivision covered by section 124.38 or 3319.141 of the Revised Code may elect, at the time of retirement from active service with the political subdivision, and with ten or more years of service with the state, any political subdivisions, or any combination thereof, to be paid in cash for one-fourth the value of the employee's accrued but unused sick leave credit. The payment shall be based on the employee's rate of pay at the time of retirement and eliminates all sick leave credit accrued but unused by the employee at the time payment is made. An employee may receive one or more payments under this division, but the aggregate value of accrued but unused sick leave credit that is paid shall not exceed, for all payments, the value of thirty days of accrued but unused sick leave.

(C) A political subdivision may adopt a policy allowing an employee to receive payment for more than one-fourth the value of the employee's unused sick leave or for more than the aggregate value of thirty days of the employee's unused sick leave or allowing the number of years of service to be less than ten. The political subdivision may also adopt a policy permitting an employee to receive payment upon a termination of employment other than retirement or permitting more than one payment to any employee.

Notwithstanding section 325.17 or any other section of the Revised Code authorizing any appointing authority of a county office, department, commission, or board to set compensation, any modification of the right provided by division (B) of this section, and any policy adopted under division (C) of this section, shall only apply to a county office, department, commission, or board if it is adopted in one of the following ways:

(1) By resolution of the board of county commissioners for any office, department, commission, or board that receives at least one-half of its funding from the county general revenue fund;

(2) By order of any appointing authority of a county office, department, commission, or board that receives less than one-half of its funding from the county general revenue fund.
