Recent Happenings:

- First of Four Skate Nights**

There was a great turnout for our premier 2022-23 Skate Night at Roller Haven. We had 150 guests who joined and had a great evening skating. Thank you for attending!! The next skate night is November 21- see you there!

- Homecoming Float**

There were three wagons full of students, parents and teachers. It was a beautiful night for a parade!

- Face Painting @ Homecoming Game**

Thank you to the Student Council students who volunteered to paint faces. It's unclear who had more fun, those who did the painting, or those who received the painting. On another happy note, the Wilmington Hurricanes won the game! Huffy T-shirts and Hoodies were also on sale during the game. If you missed them, check Facebook or contact the PTO to place an order.

- Fall Event Committees Established**

In an effort to include ALL, the PTO asked for help in planning the larger fall events: Halloween, Enrichment Night, and Cookies with Santa. We're excited to hear about all the great ideas and can't wait to share them with you!

- Staff Appreciation**

It was decided we would appreciate all staff throughout the year, rather than waiting until staff appreciation week in May. We celebrated our custodian's the first week of October and the Principals during the second week. We have plans to give student and staff incentives during the month, too.
