ARTICLE 1 – RECOGNITION

The Wilmington City School District Board of Education, hereinafter referred to as the "Board," recognizes the Wilmington Education Association/Ohio Education Association/National Education Association, hereinafter referred to as the "Association," as the exclusive and sole professional negotiations representative for all certified employees who are under contract to teach a full school year and/or at least one-half a regular work day, each day, for a full school year, excluding all administrative staff and/or supervisory employees who have the administrative authority to employ, evaluate, transfer, assign, discipline or discharge members of this negotiation unit or have the responsibility to make recommendations thereon.

Tutors' contractual rights are limited to the following: compensation (specifically, tutor hourly rate in Article 36 of this agreement); renewable one-year employment contracts that automatically expire without notice of non-renewal; access to the issue resolution procedure, sick leave and sick leave accumulation, assault leave, childrearing leave, family medical leave, unpaid leaves of absence, severance pay upon qualification for service retirement under rules promulgated by STRS, mileage reimbursement and rights as otherwise defined in Article 10 of this negotiated Agreement. The contractual benefits applicable to tutors are intended to entirely replace and supersede the employment provisions provided in R.C. §§3319.08, 3319.11 and 3319.111.

The Association recognizes the Board as the locally elected body charged with the establishment of policy education in the Wilmington City School District and as the employer of all personnel of this school system under state law. The Association further recognizes that the Board has the sole responsibility for the management and control of all the public schools of whatever name or character in the district and is specifically delegated with the responsibility of making the rules and regulations by which the district will be governed as provided by Sections 3313.20 and 3313.47 of the Ohio Revised Code.

A. Purpose

1. The purpose of the following issue resolution (formerly, "grievance") procedure shall be to settle equitably at the lowest possible administrative level issues which may arise with respect to specific claims of misapplication, misinterpretation and/or violation of the terms of the Contract or misapplication, misinterpretation and/or violation of Board Policy. Both parties agree that these proceedings will be confidential.

2. Nothing contained herein will be construed as limiting the right of any member having an issue to discuss the matter informally with any appropriate member of the administration and having the issue resolved without intervention of the Association. The Association shall be notified in writing of any issue resolution.

A. Definitions

1. **Association** – Refers to the organization officially recognized by the Board of Education representing the certificated employees of the Wilmington City School District as defined in Article 1 of the Contract.
2. **Board** – As used in this instrument refers to the Wilmington City School District Board of Education.

 - c. An Association issue – an issue involving an alleged violation of specific rights guaranteed to the Association by this Contract.
5. **Member** – formerly "grievant," is a member of the bargaining unit as defined in Article 1, Recognition.

C. Procedure

1. Speedy Disposition

The number of days between each step in the following chart shall be a maximum of seven (7). If the appealing party does not take appropriate action within the time limit specified, the issue will be deemed settled on the basis of the disposition at the preceding level. The seven-day limit may, however, be extended by mutual consent between the parties. Consent shall be liberally granted to promote mutual agreed solutions whenever appropriate.

Step Zero:

Within ten (10) days of the occurrence or event which gave rise to the member's issue, the member shall meet with his/her principal or immediate supervisor to discuss the issue, identify options for addressing the issue and consider possible

solutions. The member and the supervisor will utilize the Mutual Issue Resolution Outline to guide their discussion.

The Step Zero meeting is a mandatory prerequisite to advancing the issue to Step One. The ten (10) day time period may be extended by mutual consent. If the issue cannot be resolved at this level, the member may proceed to Step One.

Step One: An issue shall be filed in writing with the principal or immediate supervisor within ten (10) days of the Step Zero meeting unless mutually agreed otherwise. Failure to file the initial issue resolution form within the ten day period constitutes a waiver of the issue. If the issue is outside the scope of the principal's or immediate supervisor's responsibility, the issue may be initiated at the Step Three. Such issue shall be filed using Issue Resolution Form A.

A meeting shall be held within seven (7) days after receipt of the written issue with the principal or immediate supervisor.

Step Two: The written decision of the Principal or Supervisor shall be provided to the member on Issue Resolution Form A within seven (7) days of meeting.

Step Three: A written appeal to the Superintendent or designee by the member shall be filed on Issue Resolution Form B within seven (7) days of receipt of the Step Two decision.

A meeting with the Superintendent or designee shall be held within seven (7) days of filing of Step Three notice.

Step Four: A written decision of the Superintendent or designee shall be provided to the member on Issue Resolution Form B within seven (7) days of meeting.

Step Five: Board Policy

A written appeal to the Board shall be filed by the member on Issue Resolution Form C within seven (7) days of receipt of Step Four decision, if the issue involves an alleged misapplication, misinterpretation or violation of Board Policy.

The Board shall meet within fifteen (15) days or the next regular meeting of the Board, whichever is sooner to hear the issue. A written decision of the Board of Education shall be provided to the member on Issue Resolution Form C within seven (7) days of meeting with the Board. The decision of the Board on policy issues shall be final and not appealable to arbitration.

Step Six: Mediation

If a member is not satisfied with the disposition of his/her issue (alleged misapplication, misinterpretation or violation of the Contract at Step Four, only) the parties, by mutual agreement, may request the assistance of the Federal Mediation and Conciliation Service ("FMCS") and the assignment of a mediator to provide grievance mediation services. Grievance mediation is a voluntary step in the issue resolution process.

Step Seven: Contract

If the member is not satisfied with the disposition of his/her issue that involves an alleged misapplication, misinterpretation or violation of the Contract at Step Four or Step Six, the Association will notify the Superintendent, in writing, that the matter is being submitted to binding arbitration.

D. Arbitration

1. The arbitrator shall be selected from a list of names submitted by the American Arbitration Association (AAA) in accordance with the rules and regulations of the AAA using the alternate strike method of selecting the arbitrator. Either party may request a second list if they determine that the first list of arbitrators is not acceptable.
2. The arbitrator will hold hearings promptly and will issue his/her decision not later than thirty (30) days from the date the final arguments are made by the parties. It is the expectation of the Board and Association that arbitration hearings will be held in person unless both parties agree to hold a hearing virtually or through a hybrid of in-person and virtual attendance. The decision of the arbitrator shall be binding on the parties and delivered in writing to the Association, the member and the Board. The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to determine any other issue(s) not so submitted to him/her. The arbitrator shall not have the power to add to, subtract from, or change, modify or amend any of the terms and provisions of this agreement, or any other written agreements between the Board and the Association.
3. The Board and the Association shall equally share the fees and expenses of the arbitrator and any expenses incidental to the arbitration proceedings. Each, however, shall be responsible for the fees and expenses of its representatives.

E. Representation

At Steps Zero and One of the Issue Resolution Procedure, the member may be accompanied by a representative. At all remaining steps of the issue resolution procedure, the member will be accompanied by a representative of the Association and the Administrator and/or Board may be accompanied by a representative of their choice.

F. Miscellaneous Provisions

1. A member who participates in this issue resolution procedure shall not be subjected to discipline or reprisal because of such participation. All documents, communications and records dealing with the processing of an issue for resolution will be filed separately from the personnel file of the participants.
2. Hearings and conferences under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses, to be present. When possible the hearing will be held after regular school hours, or during non-teaching time of the personnel involved.

3. It is important that an issue be processed as rapidly as possible. The number of days indicated at each level shall be considered as a maximum and every effort shall be made to expedite the process. The time limits specified may be extended by mutual agreement.

The President or his/her designee shall notify the Principal of his/her visitation to the building.
6. A copy machine will be available for use of the Association at the Association's expense including pro rata cost of maintenance based on usage.
7. A member is entitled to Association representation with an administrator in which violation of Board rules and regulations and/or professional performance or conduct is discussed.
8. Professional Association (local, district, state and national) membership dues shall be deducted in nineteen (19) consecutive equal installments beginning with the third paycheck of the school year. Deductions will be made on the basis of current deduction authorizations supplied by the individual to the Treasurer. Authorizations

for payroll deductions for Association membership shall be on a continuing basis from year to year unless the teacher notifies the Treasurer in writing of his/her intention to cancel said deduction.

The Treasurer will transmit dues to the Association within ten (10) work days of the deductions, and each transmittal will include the name of each employee for whom the deduction was made and the amount deducted.

The Treasurer will notify the Association President prior to stopping any payroll deduction of dues.

 - B. Inaccuracies in the List

All inaccuracies must be reported by November 15. The Board or its agents shall investigate all reported inaccuracies and make such adjustments as may be in order and redistribute the updated list by November 30. If inaccuracies, if any, are not reported by November 30, the list shall be considered final and no further changes will be made.

13. The Association will be invited to attend the new teacher orientation and will be allocated time on the agenda to speak with new teachers.

- C. Notification of the Amount of Fair Share Fee – Notice of the amount of the annual fair share fee, which shall not be more than 100% of the unified dues of the Association, shall be transmitted by the Association to the Treasurer of the Board on or about September 15th of each year during the term of this contract for the purpose of determining amounts to be payroll deducted, and the Board agrees to promptly transmit all amounts deducted to the Association.

D. SCHEDULE OF FAIR SHARE FEE DEDUCTIONS

3. Transmittal of Deductions – The Board further agrees to accompany each such transmittal with a list of the names of the bargaining unit members for whom all such fair share fee deductions were made, the period covered, and the amounts deducted for each.
4. Procedure for Rebate – The Association represents to the Board that an internal rebate procedure has been established in accordance with Section 4417.09 C of

the Revised Code and that a procedure for challenging the amount of the representation fee has been established and will be given to each member of the bargaining unit who does not join the Association and that such procedure and notice shall be in compliance with all applicable state and federal laws and the Constitutions of the United States and the State of Ohio.

5. Indemnification of Employer – The Association, on behalf of itself and the OEA and NEA, agrees to indemnify the Board for any cost of liability incurred as a result of the implementation and enforcement of this provision provided that:

NOTIFICATION OF VACANCY**

A. Building Transfers

1. **Voluntary Transfers:** A request for transfer of a member from one building to another, subject area, or grade level may be made by the member and shall be submitted in writing using the district provided form contained in the vacancy email to the Superintendent. Applications for transfer shall remain active through September of the following school year. Seniority shall be considered as a factor when determining if a member will be awarded a voluntary transfer. Upon request a member not granted a transfer shall have the opportunity to have a conference and be given verbal reasons by the appropriate administrator, with the decision of the administrator not grievable.

By notifying the Superintendent in writing of his/her interest in a specific posting and by filing a transfer request as defined in the first paragraph above, he/she shall be considered as an applicant for the vacancy prior to any outside applicant.

2. **Involuntary Transfer:** Transfers may also be made upon initiation of the Superintendent or the appropriate member of his/her staff for a reason(s) which, in their judgment, will serve the best interests of the schools. Prior to an involuntary transfer a conference shall be held and the reasons for the transfer will be provided verbally by the appropriate administrator with the decision of the administrator not grievable. Seniority shall be considered as a factor when making involuntary transfers. The Superintendent shall not transfer a member who was involuntarily transferred the preceding school year, unless the member consents, and further will make reasonable efforts to avoid transferring a member who was involuntarily transferred the second or third preceding school year. No involuntary transfer may be capricious, arbitrary or disciplinary in nature.

B. Notification of Vacancies

1. **Postings:** Postings for summer vacancies will be included on the district's website. A member's request for transfer on file shall be considered for positions as stated above which become vacant after August 1. However, a specific posting for such positions shall not be made.
2. Notice of all bargaining unit vacancies shall be communicated to staff members, including the Association President via e-mail. The job vacancy notice shall contain (a) position available and building, if known; (b) required certification; (c) effective starting date. A staff member shall have five (5) weekdays during which time an employee may provide notice he/she wishes to be considered for the vacancy.

ARTICLE 14 – SCHOOL CALENDAR

- A. The President of the Association or his/her designee may submit the Association's preference on the composition of the school calendar to the Superintendent. The Superintendent and the Association president shall then collaboratively prepare a calendar to be submitted to the Board for its consideration.

The Board's decision on the calendar shall be final.

- B. The calendar/member's individual contract will indicate the length of the school year, which shall be no more than one hundred eighty-four (184) days, of which up to 179 are student days and five (5) teacher days for work, record keeping, preparation and professional development. These days shall be designated teacher work days, one (1) at the beginning of the year, one (1) day near the end of the first quarter, one (1) at the end of the first semester, one (1) near the end of the third quarter and one (1) at the end of the year.

The length of the teacher work day scheduled at the end of the third quarter shall be reduced by the time spent at Open House. Professional development may be offered on such days and shall be voluntary. Time not allocated for professional development on teacher workdays shall be used for planning, lesson and physical preparation, and record keeping.

The Superintendent may schedule additional professional development days on non-student days so long as the total number of work days for teachers does not exceed one hundred eighty-four (184).

ARTICLE 15 – NON-RENEWAL POLICY

- A. If a member's evaluation or personnel file does not reveal the reasons for his/her non-renewal, he/she will be provided the written reasons, upon request.

Members being recommended for non-renewal shall be notified of the date of the meeting that the Board shall consider his/her contract non-renewal.

The member may address the Board as provided in R.C. §3319.11. He/she may be represented by his/her representative.

- B. The limited teaching contract of a member shall be non-renewed in accordance with 3319.11 of the Ohio Revised Code except the issue upon review shall be whether the administration followed the evaluation procedure contained in the contract but not 3319.111 of the Ohio Revised Code.

ARTICLE 16 – REDUCTION IN FORCE

A. If, in the sole judgment of the Board, it determines to make a reduction in force for those reasons set forth in 3319.17 of the Ohio Revised Code, financial reasons or changes in curriculum and program, then the following procedure shall be utilized when making the reduction.

1. Reduction shall be made through attrition to the extent possible.
2. If further reductions are necessary, the Superintendent shall, within each teaching field affected, give preference to teachers on continuing contracts but shall not give preference to any teacher based upon seniority, except when making a decision between teachers who have comparable evaluations.

When reducing teachers on limited contracts, the Superintendent will not give preference to any teacher based upon seniority, except when making a decision between teachers who have comparable evaluations.

3. All teachers who have the same final holistic evaluation rating are considered “comparable.”

B. Seniority shall be defined as length of continuous service as an employee holding a teaching certificate or license in the bargaining unit under a regular teaching contract in the District.

1. Board-approved leaves of absence will not interrupt seniority, but time spent on such leaves shall not count toward seniority.
2. If two (2) or more bargaining unit members have the same length of continuous service, seniority will be determined by:
 - a. Date of Board meeting at which bargaining unit member was hired, and then by
 - b. Date bargaining unit member signed initial employment contract in the District.
 - c. Any remaining ties will be broken by lot.

C. Laid off teachers will be placed on a recall list.

If a vacancy occurs in a teaching position and certification area for which a laid off teacher is certificated, he/she shall be recalled as follows:

1. Continuing contract teachers in order of reduction.
2. Limited contract teachers in order of reduction.

Teachers whose continuing contracts are suspended shall have the right of restoration to continuing contract status if and when teaching positions become vacant or are created for which any of such teachers are or become qualified. No teacher whose continuing contract has been suspended pursuant to this section shall lose that right of restoration to continuing service status by reason of having declined recall to a position that is less than full-time or, if the teacher was not employed full-time just prior to suspension of the teacher's continuing contract, to a position requiring a lesser percentage of full-time employment than the position the teacher last held while employed in the district. Seniority shall not be the basis for rehiring a teacher, except when making a decision between teachers who have comparable evaluations.

If there are no laid off teachers on the recall list who are properly certificated to fill the vacancy, then outside applicants may be considered by the Superintendent.

Any member whose limited contract is suspended pursuant to this section of the contract Agreement shall remain on the recall list for two (2) years. At the end of the two year period, the Board has no further obligation to the member and the member's employment with the Board shall terminate.

A member whose continuing contract is suspended will remain on the recall list and have the right to restoration to continuing service status if and when teaching positions for which he/she is certified become available provided he/she has not obtained full time teaching or administrative employment elsewhere.

Any member who is certified for a vacant position and who refuses to accept an offered teaching position for which he/she is certified shall be removed from the recall list and the Board's obligation under this contract to that member shall be terminated.

The Board has fulfilled its responsibilities herein by sending a written notice of a job vacancy to a member on the list by certified mail at the last address left by the member. Unclaimed, refused or nondeliverable notices as well as failure to respond within ten (10) calendar days of the mailing of the notice shall constitute refusal of the vacancy.

Members on layoff shall be permitted to remain on the Board insurance plans provided the employee pays 100% of the cost of the premiums for said insurance to the Board Treasurer in advance each month.

The Board shall assume no responsibility for any cancellations of insurance coverage except when cancellation is due to a Board error and its responsibility hereunder shall end if the member obtains other employment.

ARTICLE 17 – COOPERATING MEMBERS

Student teachers and educational lab/field experience students may be assigned to a member with the prior consent of the member. The Superintendent or designee will approve acceptance of all student teachers and will assign a student teacher to the cooperating teacher. The cooperating teacher may be assigned other education responsibilities during the time when a student teacher is

fully responsible for the classroom. Cooperating teachers will not be held liable for acts or omissions that occur, if any, when the student teacher is in charge of the classroom and the cooperating teacher is not present in the classroom.

In the event the District receives money as a result of working with a student teacher, the District will provide equal compensation to the cooperating teacher, less applicable taxes and deductions.

ARTICLE 18 – PROFESSIONAL MEETINGS

- A. Members shall speak directly with the building principal regarding professional development opportunities. Once the member has received verbal permission from the building principal, the member shall submit a written request to the Superintendent for final approval. The written application to attend a professional meeting shall be made at least two (2) weeks prior to the meeting/conference.

 - 1. Directly related to the duties assigned to the member as an employee of the Wilmington City School District.
 - 2. Designed to improve the member's performance in his/her assigned duties.
 - 3. Adjudged by the Superintendent to be in the best interest of the Wilmington City School District.
- C. The Board will pay the cost of a substitute for twenty (20) professional leave days, but not more than two (2) professional leave days per bargaining unit member. No other expenses shall be covered. Additional days may be granted at the discretion of the Superintendent.

If the administrator documents his investigation, the member may attach rebuttal thereto.

ARTICLE 20 – NO SMOKING

This determination shall be made on the basis of (1) seniority on the LPDC (2) seniority within the Wilmington School District, or (3) determined by lot.
3. The teacher members shall be appointed via the president of the Association as per the bylaws of the Association. The Administrators shall be appointed by the Superintendent. In addition, in case of an in-term vacancy, the president of the Association shall appoint a replacement teacher member and likewise, the Superintendent shall appoint an administrative replacement.

5. Committee members who find they are unable to fulfill their role as an active committee member may withdraw by notifying the committee chair in writing. No reasons need to be given.
6. One teacher and one administrator shall also be appointed respectively by the Association president and the Superintendent as alternates to the committee. Whenever an LPDC member is absent from a meeting, the alternate may serve in the regular member's place. Alternate committee members may be appointed to in-term vacancy positions by the selection process as stated above.

C. LPDC committee members shall be compensated for all time spent in training/in-service and meetings by receiving an annual supplemental contract in the amount of \$600.00 including the alternate who shall attend all meetings.

ARTICLE 44 – LENGTH OF CONTRACT

- A. Unless otherwise indicated, this Contract shall commence on July 1, 2024 and terminate on June 30, 2027.
